

Project exam 1 FEU-2021	
Petter Iversen	
1 Planning:	
Project analysis	
Functional spec	
Target audience, research	
Personas	
2 Design:	
Cardsorting	
Wireframe/Prototype	
3 Programming:	
HTML	
CSS	
Javascript	
Media queries	
4 Testing:	
Debug, console	
Test responsiveness	
5. Report:	
Report preparations	
Write full report	
Comments:	indicates that the day is overlapping and to be considered as "extra"
note!	The javascript and debug/media query are overlapping because they are strongly dependant on eachother
